ion of the Democratic party, and | cularly Gov. McNuer. He will not give Aim his support for a re-election under any circumstances. He will give to an independent ticket, of his own principles, his entire influence, and intimated that the Hon, T. H. WILLIAMS, would probably become a candidate for the governatorial chair in opposition to both caucus nomin-ntions. He is willing to support any man who is opposed to a United States Bank, of zeal and enthusiasm. At the first I Treasury system, and the Union Bank .- their satisfactory solution, a more labori-He cannot be induced to vote for either ous investigation, than I had time to give M'NUTT or TURNER, under any circum- them. I was continually interrupted by stances "Those are the sentiments" he persons seeking information connected says, "of a majority of the democracy of with the titles; and I soon discovered that Marshall."-Grenada Bulletin.

[We are authorised by Gen. Davis to state that the above article contains seve- ble. I was then engaged in the examinaral gross misrepresentations. While he tion of the titles of the subscribers in the was at Col. Ive's, the conversation turned new Counties, where they are compara upon politics, and Hon. T. J. Williams was casually mentioned, by one of the company (not Gen. D.) as a suitable candidate for the governorship, to which the titles could be completed by the first company generally assented. Gen. Davis of March, if the bank would authorize me mingo, Tippan, Marshall, Desoto, Tunica, asserted nothing as to the sentiments "of a majority of the democracy of Marshall" but DID remark that a PORTION of the democracy of the County thought Governor McNutt's policy to the Union Bank immical to the best interests of the State, and would not vote for his re-election.

LATE FROM MAINE.-The following from the Globe of April 1st, gives intelligence that difficulties on our Eastern border are for the present arranged. "We publish general Scott's letter to the Secretary of War, announcing the conclusion of an amicable and honorable adjustment of the difficulties which existed on our Northeastern boundary. To the high character of Gen. Scott and Gen. Harvey, who conducted this negotiation, and to the errorman relations of friendship and rest the personal relations of friendship and rest desire of Governor Fairfield and his of an amicable and honorable adjustment of est desire of Governor Fairfield and his Republican friends to avoid a collision between the two great families of the Anglo-Saxon race, the country is indebted for this fortunate result. The matter result. The matter isoace again in the families of the Federal Government, to which has been accomplished; the Federal Government, to which has been accomplished and his sent accomplished and his Republican friends to avoid a collision between the difficulties connected with it were not to essent and includes the town of Washington, he other the temperate described true likes with us in sentlanes. On the difficulties connected with it were not to essent and includes the town of Washington, he other the time first described true likes with us in sentlanes.
